

Im Super F####ing Angry

In This Document, You'll See The Reason Im
F####ING ANGRY

Start Of Story

So I Had Been Archiving On 3/1/2025, The MP4 File I Was Archiving Had Been A Video Of Youtubers Reacting To The End Of Doki Doki Literature Club And It Kept Saying ERROR (Numbers) Or It Froze On A Uploading Screen Doing Nothing

Theory's

- 1: The Government Is Mad That I Archive Videos They Don't Like So They Torment Me
- 2: YouTube Added A Parasite To There MP4'S So You Cant Upload Them To Older Sites
- 3: Also, I Feel Like S#### (Not A Theory)

I hate the government + blackrock
